

Make A Difference. That's what I am going to do on May 21, 2011. I will be running/walking a 5K to raise funds for Missionary Ventures. The proceeds will go to this outreach, and your donation is tax deductible. Will you sponsor me? I sure hope so, and so do those whose lives will be personally touched. I have a flyer you may read about the project, or you may visit www.mvi.org for more information. Thank you! **Together we'll make a difference.**
